

Brookeside Montessori School

"Every Child is gifted. Every child has needs."

Summer Camp 2012 Wild About Habitats

June 4 - August 10

8:00 AM - 4:00 PM

Join us for these nine fun-filled weeks:

June 4 - 8	Brrr... Adventures in the Arctic
June 11-16	Let's Find Out! Field and Forest Fun
June 18 - 22	Pond Life: This Place is Hoppin'!
June 25 - 29	Mountains & Caves: Who Lives Here?
July 2 - 6	Closed - No Camp
July 9 - 13	Desert Explorers!
July 16 - 20	Discover the Amazon Rainforest
July 23 - 27	Let's Go on an African Safari
July 30 - Aug 3	Investigating Insects
August 6 - 10	Ocean Life: Come Swim with Me!

Crafts, games, songs, water play, guided exploration, field trips and more all in an academic environment. Ages three through third grade. Counselors are certified teachers.

Camp tuition is \$150 per week that includes a weekly field trip fee

Register today 610-473-0408

Brookeside Montessori is located at 1075 Route 100, Bechtelsville, PA 19505

Brrr... Adventures in the Arctic - Join us for some freezing science fun this week! Make snow in June! Find out about ice floes, polar creatures, and the people brave enough to live in this place! Celebrate ice at its finest with a trip to Rita's!

Let's Find Out! Field and Forest Fun - Be a junior ranger this week! Plant a tree. Get your backpack and binoculars ready to observe the field habitat next door! Match animals to their footprints! Check out a nearby forest with a trip to Poole Wildlife Conservancy.

Pond Life: This Place is Hoppin'! - Enjoy a splashy good time this week! We'll create our own pond habitat...as well as enjoy a trip to learn about our finny friends to either Fisherman's Paradise or Li'l Lehi Trout Nursery. A trip to the community pool will also be planned.

Mountains & Caves: Who Lives Here? - Have a "rock"-in good time looking at rocks, stone artifacts and fossils! Make a "stone" mosaic! Find out about the animals who live in mountains and caves, and go on a spelunking adventure field trip to Crystal Cave!

Desert Explorers! - Learn about the deserts of the world...and their indigenous people. Find out how plants and animals survive in the desert. Make sand art! Visit our scaly desert friends at Zimmer's Pets reptile room!

Discover the Amazon Rainforest - Help create the layers of the rainforest in our classroom. Amazing animals and plants thrive in this environment. We'll make a crazy snake and study the cocoa tree, yum! Then join us as on a trip to Monkey Joe's.

Let's Go on an African Safari - Let's get ready for a fabulous adventure. We'll find Africa on the map and learn about the animals that roam the savanna. Then travel with us to the Grand Theater for a private showing of Disney's The Lion King.

Investigating Insects - Don't get bugged this week! Find out what the buzz is about...insects! Learn about insects' body parts and their life cycle. Enjoy the stories of Eric Carle like The Very Hungry Caterpillar and a visit to the Perkiomen Watershed Conservancy.

Ocean Life: Come Swim with Me! - This week learn about all the animals that live in and around the ocean. We will create a diorama and make an edible ocean snack. Then with a trip to the community pool, we'll be the ones swimming in the "sea"!

Summer Camp 2012 - Wild About Habitats Registration Procedures

- 1) Complete the registration form and either mail it or bring it to school. **There is no registration fee.**
- 2) Please check only the weeks your child will attend. Due to staffing needs, you will be charged for the weeks you have chosen even if you don't attend.
- 3) Half of the tuition is due May 1 and the remainder June 1, 2012. We will send you an invoice after your registration is received.
